## Top Questions from Bloomberg

### Overview

Top interview questions asked by Bloomberg as voted by the community.

### Array and Strings

Bloomberg likes to ask simple, basic array questions. This is the most common category.

### Linked List

Bloomberg asks pretty standard, basic linked list questions and nothing too hard.

### Trees and Graphs

Bloomberg may ask questions related to Tree data structure, and these questions are often asked.

### Heap, Queue, Stack

Any kind of problems which uses Heap, Queue, or Stack data structure go here.

### Sorting and Searching

Top K Frequent... These are frequently asked in Bloomberg interviews. We have a lot of questions here.

### Dynamic Programming

Bloomberg does not ask a whole lot of Dynamic Programming questions.

### Design

These are some design questions for you to practice for your Bloomberg interview.

### Others

Here are some other questions for you to practice to get well-prepared for your Bloomberg interview.

### Discuss
